

ENDORSE SCOUTS AT LAFOLLETTE

Kiwanis Club Votes to Sponsor Movement As Its Leading Activity

Special to The Knoxville Sentinel.

LAFOLLETTE, Oct. 19.—The regular week luncheon of LaFollette Kiwanis club was especially interesting Tuesday. Pat Kerr was program leader and he brought forcefully before his fellow Kiwanians the public school problems of the county and city. Edgar Smith who was to make a speech on the subject was unavoidably absent, but Rol Smith made a strong talk and called attention to the importance of Kiwanians supporting the schools in every possible way, especially in athletics. L. C. Crewe made an earnest talk on the Boy Scout movement as an adjunct to the schools in building up good citizenship and, therefore, the community. The new swimming pool and other activities of the LaFollette Schouts were mentioned.

The following resolution was unanimously passed:

Moved, seconded and voted unanimously that the Boy Scot movement in LaFollette be sponsored by this club as the club's leading activities, to which end each and every member of the club agrees to serve as a member of LaFollette Council, Boy Scouts of America.

The club was very much pleased to have present Mr. and Mrs. W. H. Nighbert of Oliver Springs, as guests, also Ed Schwartzman, of LaFollette.

The ladies of the Parent-Teachers' association served a most palatable luncheon.
